### **TUITION POLICY**

The Toyohari Training course is a 20 day commitment. The course is an integrated syllabus and as such absence from any of the weekends will significantly impact on the required competencies.

If you have registered to do the course, and your absence is unavoidable it is your (the student's) responsibility to cover the material in your own time. The course may not be deemed to have been successfully completed if there is more than two days of absences. Exceptional circumstances will be considered on a case-by case basis by the Academic Dean.

Alternatively, you may complete a missed portion of the course at another Toyohari Foundation course. Please be aware however, that another course may not run in your State for at least one year. If you select this option, you will not graduate until the missed portion of the course has been completed and you will not be eligible to become a practicing member of the Australasian Branch of the Toyohari Association until the course has been fully completed.

## **CANCELLATION POLICY**

If you are entering into a payment plan, it is considered a contract to pay the entire amount. If you do not complete the course, payment for the entire course will still be required before a Certificate will be issued and membership with the Toyohari Association accepted.

The ABTA has the right to cancel the seminar if numbers are insufficient, in this case a full refund will be given.

## **REFUNDS**

A full refund minus transaction fees will be issued until 23rd June 2020 if requested in writing.

A 50% refund will be offered until 8th July 2020 if requested in writing.

After 8th July 2020, no refund will be made as this may make the course unviable.

Toyohari has the right to cancel the course, if numbers are insufficient. In this case a full refund will be given.

## **PAYMENT METHODS**

The fee for the entire course is \$4890.
