## TUITION POLICY

The Toyohari Foundation Program is a 20 day commitment. The program is an integrated syllabus and as such absence from any of the weekends will significantly impact on the required competencies.

If you have registered to do the program, and your absence is unavoidable it is your (the student's) responsibility to cover the material in your own time. The program may not be deemed to have been successfully completed if there is more than two days of absences. Exceptional circumstances will be considered on a case-by case basis by the Academic Dean.

Alternatively, you may complete a missed portion of the program at another Toyohari Foundation program. Please be aware however, that another program may not run in your State for at least one year. If you select this option, you will not graduate until the missed portion of the program has been completed and you will not be eligible to become a practicing member of the Australasian Branch of the Toyohari Association until the program has been fully completed.

## CANCELLATION POLICY

If you are entering into a payment plan, it is considered a contract to pay the entire amount. If you do not complete the program, payment for the entire program will still be required before a Certificate will be issued and membership with the Toyohari Association accepted.

The Australasian Branch of the Toyohari Association has the right to cancel the program if numbers are insufficient, in this case a full refund will be given.

## REFUNDS

A full refund minus transaction fees will be issued until 23rd March 2021 if requested in writing.

A 50% refund will be offered until 8th April 2021 if requested in writing.

After 8th April 2021, no refund will be made as this may make the program unviable.

ABTA has the right to cancel the program, if numbers are insufficient. In this case a full refund will be given.
